**100%**  
SATISFACTION  
GUARANTEED

**\$ 16.50**

WW604540

- Simple in design and light in weight, the Big Easy Bayonet is the perfect alternative to heavier locking biners
- Elegant design is also functional, offering a greater strength-to-weight ratio and better feel in the hand
- Semi-automatic locking gate features a bayonet-style, spring-loaded sleeve that can be simply and easily locked with just a twist
- Cold-forged from 10mm 7075-T6 aluminum alloy

Specification	Description
Weight	58.0 grams
Strength major axis open	8.0 kilonewtons
Strength major axis closed	24.0 kilonewtons
Gate open clearance	16.0 millimeters

.. Made in USA.
